We arrived at the train station at 11:05, and we got on the train at 11:15. We got off the train at 11:30, and we went to a museum where we watched a video which explained the story of the Pied Piper of Hamelin. Then, we went to buy some souvenirs, and at 12:30, a man dressed as the Pied Piper of Hamelin explained us the story again and showed us the city. The guided tour finished around 13:30, and we got free time until 15:00. We arrived at the station at 15:15, and around 15:30 we arrived to Rinteln.
